Hello Tyler Park Neighbors,

Looking for a way to break out of the January doldrums? Join your friends and neighbors on Sunday, January 28th from 5-7 p.m. at the Mid City Mall for the annual Tyler Park Neighborhood Association Wine Tasting. The festive event features wine, hors d'oeuvres and music of California.

The wine tasting is made possible by the generosity of our neighborhood businesses, including the Mid City Mall and Sandy Metts, The Wine Market, ValuMarket, and Terry Redden of Semonin Realtors.

Tickets for the event are \$25. Previous wine tastings have been sellouts so get your tickets soon. Please email: tylerparkwine@gmail.com for tickets and we will deliver tickets to you. Tickets are also available at the Wine Market, 1200 Bardstown Road, Valu Market, 1250 Bardstown Road, or online: <http://www.tylerpark.org/wine-tasting/>. Checks should be made out to "TPNA". Tyler Park Annual Meeting, held October 26

The Annual Meeting of the Tyler Park Neighborhood Association was held on October 26, 2017, at the Highlands-Shelby Park Library. The guest speaker was Jeff O'Brien, Deputy Director for the Louisville Metro Office of Advanced Planning. Mr. O'Brien discussed the new update for the Comprehensive Plan for Louisville Metro. The Comprehensive Plan guides land use, growth and development in our community.

Mr. O'Brien stated that the community engagement process has focused on six Work Group components: Community Facilities; Community Form; Housing; Livability & Environment; Marketplace/Economic Development; and Mobility. This process has included over fifty Work Group meetings, dozens of meetings with community organizations and advocates, nine community forums and two community surveys. From this, goals, objectives and policies have been developed to guide future land use and growth for Louisville Metro.

At present, the draft recommendations are being reviewed by an Advisory Committee; the Advisory Committee will continue its review through early 2018. Once that is complete, a draft document will be prepared and presented for public review in the Winter of 2018. It will then be forwarded to a public hearing before the Planning Commission, with final approval by Metro Council and 12 suburban cities. Adoption of the updated Comprehensive Plan is anticipated by the end of 2018.

For more information about the Louisville Metro Comprehensive Plan, check out the website at: www.louisvilleky.gov/comprehensive-plan. — *Ken Baker, TPNA Board*

Want to Volunteer for Repair Affair?

The TPNA board is considering helping others in the Louisville Metro area by participating in the "Repair Affair". This involves a volunteer crew from our neighborhood helping to repair homes that deserving owners cannot maintain on their own. The main organizing effort is by the New Directions Housing Corporation (NDHC). They locate the clients whose homes are in need of small to medium repairs and then coordinate crews of volunteers from various local businesses and organizations to do those jobs. NDHC provides all supplies needed and removes all residue from the job. Their website is: www.ndhc.org search for Repair Affair.

What Tyler Park supplies is volunteers for one Saturday morning. The exact schedule is not yet established for 2018 but the event is usually early in June. Most of the work will be completed by mid afternoon or earlier. We need to have some idea of who can commit to participate by mid April so that the level of repair that the TPNA volunteers will undertake can be established. This is done by a Crew Captain from TPNA who works with NDHC to select the home to work on. Volunteers can be anyone from totally unskilled to accomplished handy person. Crew size can be as few as 4 to as many as 12. The work can consist of anything from repainting to building a wheel chair ramp. Often there are several items at one home that get attention from the larger crews. If serious power tools are involved, the volunteer that operates them will need to bring them.

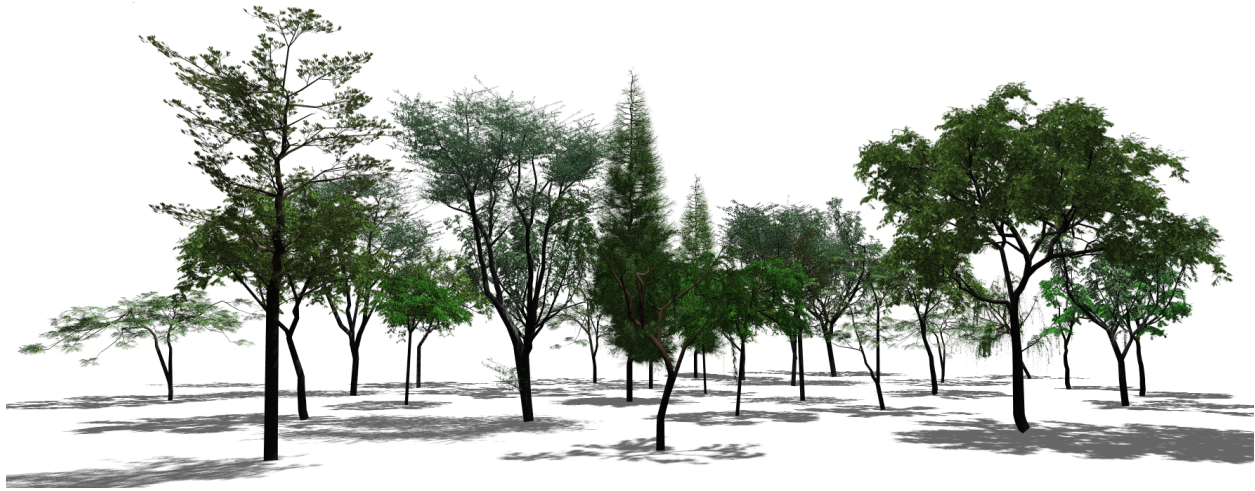

This is an initial call for TPNA volunteers, to see if we can "field a team" to take on a project home. I have had experience with a similar program from my earlier home in Maryland and went to 2017's Repair Affair here in Louisville. So I will volunteer to be the interim Team Captain for TPNA. Please email me at ChasDgls@gmail.com or respond to me on the TPNA website, <http://www.tylerpark.org/>; or the TPNA FaceBook page, <https://www.facebook.com/TylerParkNeighborhoodAssociation> to let me know if you have an interest and think you might like to volunteer. — *Doug Thrasher, TPNA board*

Calling Volunteers

TPNA needs volunteers. Several articles requested help:

- the Repair Affair (see article above)
- the Tree Committee (see article on p. 4)
- the Beechwood Park project (see article on p. 5)
- the Garden Tour (see article on p. 5)
- the TPNA Jazz Festival (see article on p. 5)

Other committees are happy to have volunteers. See the back of the newsletter for a list of committees. If you have the time, give some of it to make our neighborhood an even better place to live.

re-Foresting

Reforest is defined as “to replant trees on (land denuded by cutting or fire)”¹ and that applies to our neighborhood. We built things, we fretted about falling limbs, and insects ate the ash trees. So chainsaws came out and we lost environment, property values, and habitat. Then we looked at the stretches that had been “denuded by cutting” and we wondered where our tree lined streets had gone.

We have lost the trees from the past but we are planting the trees for our future. This year, our second annual MSD reforestation grant brought ten large trees, sixteen medium trees, and two small trees, totaling twenty-eight trees of fifteen species.

Homeowners with new roots are Aaron Watkins and Joanna Morse; Arty Allen and Joe Tilton; Beth Nahinsky and Scott Campbell; David and Beth Phelps; David and Sonya Brown; Duncan and Alli Ewing; George Tafel; John and Heather Carr Grossman; Jeffrey and Martha DeReamer; John and Linda Murray; Joe and Kathleen Kremer; Manny and Robert Carralero; Marie Davis ; Melissa Horrar; Michael Piper ; Mike Schnuerle and Angela Moore; Nancy Brown ; Nick and Sanela Graziose; Teresa Dowell Inman; and Lena Kearney and Bill Hause. Lena and Bill also transplanted one of the trees from last year. New homeowners doing major remodeling had decided to change the landscaping and were kind enough to save the little yellowwood for us. They also planted a replacement for a dead tree, ending with a net gain of two trees on their property. Well done.

Volunteers on planting day included Aaron Watkins, Ahmed Abdullah, Aman Mann, Andrei Zahorik, Dora Zahorik, Gabe Weber, Grace Gothard, Greg Fleck, Jim Schorch, Josh White, Katherine Moberly, Kennedy Nodler, Lucy Maggard, Melissa Horrar, Peg Catlett, Sean Delahanty, and Will Herrensmith. Once again our Board member, Stephanie Callen, organized food donations and stood the morning-long vigil at our rallying point in the park.

Donors included Hal and Kathleen Bauman, Highland Coffee, BoomBozz Craft Pizza and Taphouse, Sweets by Morgan (in Jeffersonville), and Linda Murray, who contributed wonderful homemade cookies.

Katherine Moberly and I had the honor of being the co-chairs for the project this year.

Call for Tree Committee Volunteers

Your Trees Committee needs help. Many of you answered the call on planting day (see the re-Foresting article on this page in the newsletter) but a lot of the work can start early in the year.

We are working to arrange use of MSD grant funding for trees in the park. We are going to get our fall campaign started much earlier than in the last two years. We hope we can fund new ways to help the canopy, both in our immediate neighborhood and in the wider community.

Getting it done rests on you. Please contact tylerparktrees@gmail.com to volunteer.

Tyler Park Master Plan Update

We wanted to give you an update on the Tyler Park Master Plan. A design consultant is being selected to review the master plan and come up with suggested changes based on input from Metro Parks, Olmsted Conservancy and the TPNA Tyler Park Committee. Funding is still there to begin construction and design of the revised Phase One of the project. The public will have an opportunity to review the changes later this year. Periphery projects may be completed prior to the actual start of the major initiative. These projects may include restoration of existing pathways, etc. We will keep you informed. Members of the TPNA Tyler Park Committee include: Brian Caudill, Shawn Reilly, Doug and Liz Thrasher, Ray Brundige, Andrea McElderry, Janet Dakin, Jo Shipley, Ken Baker, Lena Kearney and Paula Head. Please contact any of us should you have any questions. Hopefully you will see some progress in the park soon! — *Brian Caudill, TPNA Board*

Beechwood Park Construction has Started!

Construction has started! An entrance ramp is being constructed as the first project in the park. We received a Neighborhood Development Grant to help fund this first phase, many thanks to Brandon Coan's office for helping with this. Our park contractor is EZ Construction and our landscape architects are Gresham Smith and Partners. We will be actively looking for funding to continue the project this spring. If you would like to volunteer in the park please contact Brian Caudill at 502-439-8030 or brian.caudill@att.net. Please visit our website beechwoodavepark.com. — Brian Caudill, TPNA Board

Help with the 2018 Tyler Park Garden Tour

The Tyler Park Garden Tour committee is starting to make plans for 2018. With your help, we hope to make the 2018 tour the best ever. To accomplish this task, we need to have additional committee members and volunteers to expand the tour to include an after the tour event, and to plan how to best accommodate visitors to the higher areas of the Tyler Park Neighborhood.

We need volunteers to handle:

1. Fund raising
2. Managing and scheduling volunteers the day of the tour and for the after the tour event.
3. Recruiting home owners to offer their garden for the tour.
4. Brainstorming new ideas for the event.

If you are interested in joining the Garden Tour Committee and are able to commit to the work and excitement of a fabulous community event, WE WANT YOU!

Please contact Jeanette Westbrook at 451-8207, Westbrookj@aol.com or Terry Redden at 454-5795, tredden@semonin.com

Another Successful Jazz Festival

We had a very successful Tyler Park Jazz Festival this past September with perfect weather and record crowds. Thanks so much to ValuMarket for their continued support in this effort. We served beer this year for the first time in our history and it was a great success!

Many thanks to our fantastic jazz musicians: Jamey Aebersold, the U of L Jazz Ensemble with Anne Drummond and Bruni Median Pegoraro; our major sponsors: River City Distributing, The Back Door, TPNA, Louisville Jazz Society, Jamey Aebersold, BC Plumbing, Yoga on Baxter and Farleigh Animal Hospital. We will be actively planning our 2018 festival soon and if you want to be involved please contact Brian Caudill at 502-439-8030, brian.caudill@att.net. — Brian Caudill, TPNA Board

A Tyler Park Tribute To Martha Elson

For over forty years, longtime Courier-Journal reporter Martha Elson reported diligently on issues related to Louisville neighborhoods and historic preservation. Her passing in spring 2017 silenced one of Louisville's great advocates for neighborhoods and the people in them. Tyler Park Neighborhood was certainly a recipient of her great journalism.

For 25 years in my role as a Tyler Park resident, former TPNA President, Board Member, and Garden Tour Co-Chair (along with neighbor Terry Redden) it has been my pleasure to have worked with Martha as she covered items of great importance not only to Tyler Park, but to the community as a whole. Martha Elson covered the Tyler Park Garden Tour for the past eleven years, personally taking pictures of the gardens on tour and writing descriptions of the gardens that placed the reading public in the gardens without having been on the tour!

Martha also covered many of the hard fought victories that Tyler Park Neighborhood has undertaken that today stand as a legacy to her journalism, and advocacy for historic properties and neighborhoods. Martha's coverage was pivotal in the lengthy and contentious fight to save historic Bloom Elementary School on Lucia Avenue, now an award winning example of historic renovation and a top performing school in Jefferson County. More recently, Martha covered the successful resolution to prevent inappropriate infilling next to the historic Rosewood Condominiums on Rosewood Avenue. These are only two of the many issues that Martha Elson has covered over the years in our neighborhood. Martha was quick, accurate, and sensitive to the challenges and successes we have had over the years in Tyler Park Neighborhood and she never refused to cover a newsworthy issue.

Tyler Park Neighborhood will always remember a journalist who not only loved her work, she loved her community and the issues that make us who we all are. —

Eyedia with New Owners Relocates to Baxter Ave.

Let me introduce you to Eyedia, one of our newest businesses along the Baxter Avenue corridor. It's a beautifully arranged consignment store featuring furniture, rugs and other home decor, with the feel of an exclusive home furnishing boutique.

The owners, Connie Roitman and Misha Meinhold, purchased the store from Martha Neal Cooke and Diane Stege in January 2016. Connie and Misha moved it from its former Mellwood location to its present spot at 926 Baxter Avenue (It's directly across from Molly Malone's). They re-opened in May of 2016 at this new location. The store has 10,000 square feet, somewhat larger than the Mellwood locale. At this new spot, Connie and Misha report more walk-in customers and in fact, on their first day, they had a line out the door.

The store is very clean and easy to navigate, and you can easily spot new gems to add to your collection. Besides Connie and Misha, there are 8 employees who are well acquainted with the inventory to offer help with making a selection. If a customer is looking for something he/she doesn't see, one of the neatest aspects of the store is the 'Wish List'; just sign-up and if your 'wish' comes into the store, you will be notified. It's a truly personalized service offered at this thriving local business.

In addition to furniture, Eyedia has a large rug room. They carry high-quality rugs that typically sell for half their retail price. They also carry handmade soaps, candles, and bourbon barrel items. Finally, you will see paintings and other items created by local artists & craftsmen, and the decorated horseshoes are big sellers at Derby time.

If interested in consigning, a customer can take the item(s) to the store Tuesday - Saturday, 11-4, no appointment needed. If you have a large item to consign, take a picture and send it to manager@eyediashop.com, or bring the picture into the store.

Eyedia, after considerable research, sets the item(s) price. There is a 90 day consignment contract that begins with an original price and will then have two 10% markdowns after each 30 days that it is in the store. At the end of the 90 days, if the item hasn't sold, it is placed in a 50% off sale; and then is donated to charity if it has not sold. The split with the consignee is 50/50. Checks are mailed to consignor on the 10th of the month following the item's sale.

The store has a large parking space in the rear of the store, via the alley. Consignment items should be taken to the rear door. Eyedia will not repair items to be consigned, but can recommend professionals who can do the repairs.

Connie and Misha have a great relationship. They say that Connie makes everything look pretty and Misha makes everything run smoothly. I say that's a great combination! Check out their website--www.eyediashop.com--for more information. or call them at 502-540-4940. Store hours are: Monday - Saturday 11-6; Sunday 12-6. Also, check out their Facebook page.

Please stop by and have a look around. You're sure to find something appealing. — *Phyllis Costello*
