## **Easter Bunny to Appear in Tyler Park** **Saturday, March 30<sup>th</sup> at Noon**

All residents are welcome to attend the annual Tyler Park Neighborhood Easter Egg Hunt. The hunt will be held Saturday, March 30th at 12 noon. One area of the park east of the bridge will be designated for each of the age groups:

- Toddlers (under 3 years)
- Three to five year olds
- Six to eight year olds
- Nine to twelve year olds

Each child should bring a basket or bag for collecting the eggs and line up with the appropriate age group until the start of the hunt is announced.

Special prizes to the lucky finders of the "golden eggs" will be awarded. Kids, be sure to stop at the TPNA table to register for the grand prize drawing. Adults may purchase a chance to win a dozen eggs-- freshly laid by the famed hens of Mossrose (owner Manny Carralero). Please join your neighbors and greet the Easter Bunny at this fun-filled Tyler Park event.

### **Cheers for the TPNA Wine Tasting**

The 2013 Wine Tasting made a record breaking income of \$3,288.31 for the Tyler Park Fund thanks to the support of Tyler Park businesses, friends and residents. ValuMarket and Wine Market provided staff, flowers, food, and wine to the combined donation of nearly \$7,000. Local businesses Arts and Crafts Dental, Philip Barber, D.M.D. Clay and Cotton, Cafe Beignet, Fairleigh Pet Center, Hopkins Interior Construction, Highlands Family Dentistry, Jazzercise, Kaleidoscope Hair Salon, Mort and Beck Colors, Terry Redden of Semonin Realtors, and Work the Metal, supported us with ads and services. Highlands-Shelby Park Library and Sandy Metts provided storage space for this annual event. In addition to businesses, we are indebted to 25 plus volunteers who made the Tasting happen.

Gordo Jackson from Wine Market/Old Town Liquors provided Cool Climate Wines from southern France, Spain, and Argentina. Ask the Wine Market staff to help you locate these products. Melissa Carpenter, the deli manager at ValuMarket featured ValuMarket salsa, blackbean dip, beer cheese, mini crab cakes pimento cheese and sausage stuffed mushrooms and benedictine pinwheels. Victoria Fields expertly matched the wine and cheese to the delight of participants.

Please support and thank our neighborhood businesses. --Joan Dubay

### **Easy Money for the Tyler Park Fund at ValuMarket**

ValuMarket will give the Tyler Park Fund 4% of purchases made with a ValuMarket supplied re-loadable gift card used to purchase groceries. Here is how it works:

\*Purchase your activated card for \$5.00 from TPNA.

[jdubay@gmail.com](mailto:jdubay@gmail.com)

\*Before you shop, stop at the service desk and add money to your card. Say you add \$95.00. Now you have \$100 on your card.

\*When you pay for your groceries use your "Tyler Park Fund" card.

\*Stop at the service desk and add to your card each time you shop.

Thank you for using your ValuMarket Cards. Fifty-nine cards are in use. During December the Tyler Park Fund profited \$104.99. During January the total was \$89.40. Thank you ValuMarket and participants. This is such an easy way to contribute to the Tyler Park Master Plan!--Joan Dubay

### **'The Hidden Gardens of Tyler Park Neighborhood' 2013 Tyler Park Garden Tour Saturday, June 15, 9:30 AM – 3:30PM**

Have you ever wondered as you walked or drove by Tyler Park's beautiful homes just what may lie beyond those beautiful front lawns? Now, you'll be able to do just that. Excitement is already in the air concerning the plans for the 2013 Tyler Park Garden Tour which will feature lovely gardens in the upper Tyler Park Neighborhood. These gardens have not been showcased before, being just a little harder to get to on foot, so this year the TPNA tour will include transportation between the gardens and the Mid City Mall where the tour begins.

We currently have three fabulous gardens committed. If you live in the **Valley Road, Summit Avenue, Royal Avenue, Hill Road, Eastern Parkway, and Hawthorne Hill** areas and are willing to share your garden, contact the TPNA Garden Tour Committee at: [Westbrookj@aol.com](mailto:Westbrookj@aol.com) 451-8207 or Terry Redden at [tredden@semonin.com](mailto:tredden@semonin.com) 454-5795 for more information. We also need volunteers to sell tickets and help at garden sites. Contact Terry Redden or Jeanette Westbrook to volunteer to help.

We are looking for sponsors for the 2013 tour and request that area businesses and residents consider becoming sponsors for the 2013 tour. We welcome all and any suggestions to help make the 2013 tour as exciting as previous years have been. Look for more updates on the 2013 Garden Tour in our next newsletter. --Jeanette Westbrook and Terry Redden

## Tyler Park Business Feature The Wine Market

Claudia and Gordon Jackson purchased Old Town Wine and Spirits sixteen years ago and about five years after that bought End o' the Bin from the same owner. End o' the Bin was a close out store and according to Gordo, "We realized pretty quickly that we didn't want to sell scratch and dent inventory. Initially we moved to old world wines and then to a broader array of inventory. The hard part of selling wine is finding \$8 to \$15 bottles of wine, wines that people drink everyday, and that's what we try to do at The Wine Market."

Gordo further explained, "The Wine Market is the staff. Ken is the guiding light, Sam is the food person, and Michael is the information sponge." Gordo, constantly referring to the staff as a "team", sat back in his chair, and sent me to talk to Team Wine Market.

I was able to catch up with Sam and Ken at The Wine Market.

Sam: A common goal we have is researching wine, beer, and food. What will drive business in a relaxed and intimate setting?

Ken: Everybody doesn't have time to learn about wine. We pride ourselves on being experts. We taste the wine (within reason) before we shelf it. It's really easy to find a good \$30.00 wine that tastes good. It's a lot harder to find a good tasting \$10.00 bottle. We have a dynamic inventory so sometimes we can't restock a wine, but our distributors know us and know what our focus is.

Sam: Claudia was a major part of my growth about food. We carry niche kind of items, something you won't find at Kroger. You can get a snack or dinner...pasta, pasta sauces, cheese, chips, crackers, olives, spreads. We have a local regional focus in our foods. We are selling Blue Dog bread, Sunergos coffee (roasted here in Louisville), and Smoking Goose charcuterie (cured meat) from Indianapolis.

Ken: Our beer used to be dictated by Old Town, but now we have beer that you can't buy at Old Town or ValuMarket. We also have a small selection of spirits focusing on small batch and single barrel bourbon.

Sam: Michael is really good at education and retention of knowledge about wine and beer. He knows a lot about food as well. Michael is responsible for lots of the food.

As a customer, I can attest to the friendly, intimate atmosphere and the knowledgeable staff. If my last favorite purchased wine is not on the shelf, a similar recommendation is made. I am never disappointed. Team Wine Market want to know how you like their product. They hope within 10 seconds of entering the door, someone says "hi" and offers to help you.

\*The Wine Market has Tastings the first Thursday of each month (excluding January and May).

\*If you buy a case of wine, there is a 5% discount. It can be a mixed case.

\*Wine Market is located on the corner of Lucia and Bardstown Road. It is open Monday to Friday, noon-8:00, Saturday 10:00 -8:00, and Sunday 1:00-8:00

\* For more information about The Wine Market, check out their Facebook page.

## Help Make the Tyler Park Neighborhood More Walkable

One of the best ways to enjoy our neighborhood is to walk in it. But how conducive is Tyler Park to strolling? How *walkable* is it?

This May 11th — the Saturday following the Derby — come and help us assess that condition. We'll be looking at such factors as block attractiveness; surface conditions; curb ramps; sidewalk connectivity; lighting; and overall walkability. More walkable neighborhoods are also healthier and safer neighborhoods — and improved walkability increases property values.

We'll meet at 10 a.m. at Highland Cleaners' Discovery Center, next to the Cleaners at 1401 Bardstown Road. Following a brief presentation, we'll break into teams and examine some of the principal one-mile routes in Tyler Park.

For more information, contact Chip Nold at 458-1172 or [ijnr@insightbb.com](mailto:ijnr@insightbb.com)

P.S. If you're interested in learning more about how a walkability assessment works, the Center for Neighborhoods is holding a "Healthy Hometown WALKShop" on March 2 from 10 a.m.-1 p.m., location TBA as we go to press. If you're interested, contact Lisa Dettlinger of the Center for Neighborhoods at [ddettli210@gmail.com](mailto:ddettli210@gmail.com)

## Outdoor Fun and Learning are Always in Season

Spring flowers and showers are not yet in sight, but Tyler Park still offers an incredible array of activities to enjoy with your children. St. James School would like to share some ideas for ways to add some hands-on learning to the fun:

**Chart the park** Encourage children to look closely at their surroundings. Notice the plants, people and wildlife. What can you see, hear, feel, smell and taste? Record these thoughts and return each season to compare how the seasons change.

**Get a feel for nature** Place paper on a textured surface and lightly rub a crayon across it. The bridge, picnic tables and dried leaves are just a few examples of textures children can explore through rubbings.

**Go on a scavenger hunt** Visit the park ahead of time to make a list of “treasures” such as icicles, pinecones, frozen puddles, birds and other wildlife. Allow children to mark off items as they discover them.

**Make a winter animal feeder garland** Gather string, a plastic needle, popcorn, dried fruit and pieces of orange peel. Children can count, sort and make patterns with the items while stringing. Hang the garland and observe the animals enjoying their treat. (Dried fruit should not be ingested by dogs. Be sure to take the garland and “leftovers” when you leave.)

**Map a course for fun** Bring paper and crayons and take a walk. How would they draw the park so that a visitor would

know where things are? What terrain makes areas of the park unique?

**Fit to a T** Help children excel in motion by playing a game of ABCs. For each letter of the alphabet, act out a body movement; some examples include: A – amble, b – bend, c – crawl.

These are just a few ways to enjoy the outdoors in chilly weather. Brainstorm with your children for more ideas!

*St. James School and the Monsignor Horrigan Preschool/ Pre-Kindergarten are located at 1818 Edenside Ave. The school serves students from age 2 through grade 8. For a personal tour, call (502) 454-0330, ext. 11.*

## Doggie Matters

### A Note from Council Member Tom Owen

The recent opening of the Big Four Pedestrian Bridge brought both great acclaim and cold-water shock. The dramatic vistas were there alright but so were the unanticipated clumps of dog feces left on the bridge deck and ramp by careless and insensitive dog-walkers. The problem on the Big Four was just a reminder of an issue that raises the ire of many of us in the neighborhood.

Most dog owners pickup after their pet but sadly just a few inconsiderate, negligent ones can mess things up for all of us. It really is awful to step in a pile of poop when we're in the park or even worse our front yard! The offended majority feels like we preach until we're blue in the face trying to change the persistent habit of that irresponsible minority.

There is a law that CAN be used as a cudgel to reinforce change of behavior. Louisville Metro Ordinance 91.010 requires that an owner with their animal in public must be equipped “with a suitable device for picking up, collection and proper sanitary disposal of animal feces” and “must immediately remove all feces deposited by such animal and dispose of same in a sanitary manner.” (Of course, the visually impaired or disabled person who uses an “assistance dog” is exempted.) If a police or animal control officer sees an offending owner fail to comply with the ordinance, a citation resulting in a \$25 fine can be written.

In addition, there remains the simple appeal to civic decency. An owner can purchase a poop bag dispenser that conveniently attaches to the leash or even easier buy an inexpensive roll of bags. Better still, plastic newspaper sleeves or grocery bags can be used. In short, it's not a lot of trouble to do right!

C'mon neighbors! Let's pitch in the poop, reducing stress and anger for all of us.--Council Member Tom Owens
