If you have cable, invite your neighbors over!!
If you don't have cable, invite yourself over to your neighbors!!!

DO YOU REMEMBER WHEN ----

---- Mid-City Mall was an orphanage?

---- Medical Arts was a farm?

---- Baxter Ave. was Von Borries?

Thanks to the interest of alderman, Steve Magre, the generosity of Dimension's Biggs Tabler, and the hard work of Ken High and the good people at Dimension, we now have a videotape of the Tyler Park History Project's show.

WHEN YOU SEE IT ONCE, YOU'LL WANT TO SEE IT AGAIN. AND HERE'S HOW --

"The Way We Were: Tyler Park" is now available on Betamax and VHS for individuals and groups, for block parties, churches, and other organizations. A \$5.00 deposit will be refunded when the videotape is returned. Contact Andrea McElderry 459-1343 for info.

TPNA BOARD

--- The bridge in Tyler Park is now a local landmark by action of the Landmarks Commission board on July 3. This means that repairs must preserve its historical character. Look for a dedication in November.

--- The City has budgeted \$30,000 to correct the drainage around the wading pool. Special credit to alderman, Mike Carrell.
