

# TYLER PARK NEIGHBORHOOD ASSOCIATION NEWSLETTER

## Annual Meeting

**Nov. 16**

**1986 TPNA ANNUAL MEETING  
AND POTLUCK DINNER**

The annual TPNA business meeting and potluck dinner will be held on Sunday, November 16, beginning at 5:00 PM, in the auditorium of St. James School, 1818 Edenside Avenue. The election of TPNA Board members will be followed by musical entertainment and a slide presentation about the neighborhood.

While TPNA will furnish meat and drinks, neighbors are asked to bring the following dishes:

| <u>Last Names:</u> | <u>Dish</u> |
|--------------------|-------------|
| A-G                | Vegetable   |
| H-O                | Dessert     |
| P-Z                | Salad       |

Y'all come!

**NEW TPNA BOARD MEMBERS NAMED;  
NEW BOARD MEMBERS NEEDED**

Filling vacancies left by Tom Lyons and Linda Spears, new TPNA Board members Bud Dungan and Bill Schneider have been serving since August and September, respectively. Bud volunteered to coordinate the Annual Meeting (see lead story), and Bill already distinguished himself by actually showing up for the postponed park cleanup, so we are very pleased to have them aboard.

It is with great regret that the Board accepts Mike Zoeller's resignation. Mike and his family will be moving to the Crescent Hill area in mid-November. What a loss to TPNA.

Even with the new mid-term replacements, we will be short two people for the 1987 Board of Directors. If you are interested in serving either a one-year or a two-year term, please call Joe Conroy at 451-2745 before the Annual Meeting on November 16.

**DAVID BELL:  
TPNA'S NOMINEE FOR LOUISVILLE  
CITIZEN OF THE MONTH**

At a recent meeting of the Board, long time Tyler Park resident David Bell was nominated to be recognized as one of Louisville's Citizens of the Month. David has served on the TPNA board for many years; whether on the board or not, he has been a cheerful, hard worker who can always be depended on to help, even with the unpopular projects. In addition, he has been a good neighbor, giving freely of his time and energy to help others. We are fortunate to have him as a neighbor, and we hope he is selected for the honor he has been nominated for.

Know a quiet Good Samaritan who deserves to be recognized as a Citizen of the Month? Call TPNA President Herb Zimmerman at 456-6126.

**ADDRESS NUMBERS MUST BE AT LEAST  
3" TALL BEFORE JANUARY 1, 1987**

To assist police, fire, and EMS crews in locating homes and businesses, the Board of Aldermen recently passed an ordinance requiring all Louisville homes and businesses to have their address numbers properly displayed. Numbers must be at least three inches high and be placed so they are visible from the street. Garages do not have to be separately numbered.

If you don't comply and are cited for a violation, **fin**es can be up to **\$50 per day until the numbers are put up**. Put your Newsletter down and go measure your house numbers right now.

**FALL PARK CLEANUP**

After a partial rain-out on October 3rd and 4th, a small but energetic group turned out for the Park Cleanup on the 10th and 11th. Focusing on quality rather than quantity, they cleared out underbrush, picked up more than a dozen bags of trash, and raked leaves out of the tunnel. We really need more warm bodies out there for the next (Spring) cleanup, folks.

**IS IT CRUELLA DE VILLE?  
DOGNAPPERS AT WORK AGAIN**

Sad to say, dogs are being stolen from their yards again in the neighborhood -- smaller dogs, especially cairn terriers. Police surmise that they are quickly taken from the area and used for breeding purposes. So keep an eye on your dogs.

**BURGLARIES, ASSAULTS UP --  
POLICE RECOMMEND BLOCK WATCHES**

In the last few months, there has been an increase in the number of burglaries and assaults in the Highlands, including, sadly, our neighborhood. Most of the incidents have been made easier for the perpetrators by open doors and windows. Once again, 1st District (581-3536) and 5th District (581-2510) police recommend that you form Block Watch groups with your neighbors. Call your district for information.

## HAVE YOU RENEWED YOUR MEMBERSHIP?

Membership in TPNA requires an annual payment of a membership fee: \$5 per household for residents and \$10 per property for business and absentee owners. Revenues from membership for the current year (which informally runs from picnic to picnic, although TPNA, Inc. is on a calendar year for its fiscal year) are still down from last year. So come on, 'fess up, and pay your dues using the handy form below. Send it to TPNA, Box 4452, Louisville, KY 40204 -- or bring it to the annual meeting. Honestly, your money goes toward worthy causes, and we need your participation to help keep the neighborhood the extraordinary place it has become.

## TPNA CHRISTMAS PARTY DECEMBER 14

The annual Christmas Party for block captains and TPNA board members will be held at the home of Anne Sheadel and Kevin Lynch, 1 Beverly Road, from 7-9 PM on Sunday, December 14. Although liquid refreshment will be provided by TPNA, guests are asked to bring an appetizer or dessert. Mark your calendar now before something else comes up -- this is always a special time.

## SO WHAT HAPPENED TO THE PLAYGROUND EQUIPMENT?

Due to unexpected bureaucratic snafus (beyond those we expected), the new equipment ordered for the lower park and the Tot Lot is in transit as we go to press, with installation expected by November 6 -- before the annual meeting. Current plans call for Mayor Abramson and Alderman Mike Carrell to jog to Tyler Park with all 420 students from Bloom School to dedicate the equipment (as part of Bloom's 90th anniversary celebration). And, although most Tyler Park residents have already played their last tennis match for the year, rumor has it that all courts will be resurfaced before the end of the year.

Joan Dubay, who has been bird dogging this project for months now, has first dibs on going down the new slide.

## TYLER PARK FLEA MARKET -- A SUCCESS DESPITE OMINOUS WEATHER

The annual TPNA Flea Market was held again on the West parking lot of Mid-City Mall on Saturday, September 20, even though it was pouring at 6:30 that morning. Fairly clear weather prevailed, a good crowd showed up, and TPNA cleared \$225 from renting space and selling soft drinks and TPNA paraphernalia.

Many thanks to Mary Tomes and Mary ("Pee Wee") Tomes for organizing the event and calling each person who signed up to rent a space, and to The Metts Corporation for allowing us the use of the Mid-City lot.

**TYLER PARK JUNK PICKUP  
EVERY THIRD MONDAY**

*Come see our new Italian designer  
line of clothing and accessories!*

The City of Louisville's new *monthly* junk pick-up program - Operation Brightside's Project Pick-up - has now started. Residents of the City of Louisville (and *only* City of Louisville residents) can now put out as many as three bulk items per month to be collected by City Sanitation crews.

Here are the rules of Project Pick-Up:

- 1) Put out a total of 3 bulk items or bundles each month. (Only 3 will be picked up each month.)
- 2) Place the junk at your regular garbage collection point, but don't mix garbage and junk together.
- 3) Place small or loose items in containers or bundles (maximum of three containers or bundles). Loose items not in containers or bundles will *not* be picked up.
- 4) Remove doors on discarded refrigerators for safety reasons.
- 5) Place junk items at your regular garbage collection point by 6:00 A.M. on the Monday of your collection week.
