

TYLER PARK NEIGHBORHOOD ASSOCIATION NEWSLETTER

June, 1988

**TYLER PARK
OLD TIME PICNIC
AND CONCERT
SUNDAY, JUNE 12
2:00 to 8:00 PM**

THE PICNIC IS COMING!
THE PICNIC IS COMING!

The annual Tyler Park picnic is always the neighborhood's major event of the year. This year's picnic, from 2-8 PM, will again be held in conjunction with an arts and crafts fair sponsored by Friends Preschool, from 1-7 PM.

Lots of Food. We are expanding on last year's experiment with letting Kentuckiana Caterers cater the food for the picnic. The response to last year's catered food was generally very positive; this year we are adding some barbecued food to the hot dog and corn dog fare. Catering allows more people to enjoy the picnic instead of sweating over hot coals. TPNA will get 20% of the caterer's revenue from food sales.

Bigger and Better Raffle. Once again, the TPNA board, under Kevin Lynch's direction, has assembled an impressive list of raffle prizes from area merchants and residents. More than 45 valuable prizes have been donated. A ticket is reproduced elsewhere in this newsletter so you can see for yourself. Tickets are \$1 each or six for \$5 -- contact any board member (see directory) to buy a handful -- or buy them at the picnic. Don't miss this opportunity to help TPNA and possibly help yourself. Until the lottery gets legalized, this may be the best odds you will get on winning a prize. Help us beat last year's record of \$1400.

Concert at 6:00 PM. A very special treat this year will be an evening concert by The Keith Stonecipher Band. Food will be served until 8:00, so you can enjoy the music while you eat.

Other Special Activities. As usual, there will be the Kosair bagpipers, pony rides, the Cumberland's tethered balloon ride for kids, fire trucks, a homemade dessert table, block watch information (from 1st District police), a fish pond for the kids, ice cream from Ehrler's Dairy, and the Kosair Clowns and TPNA paraphernalia for sale.

Does this sound like an event you can miss? Of course not! Be there!

**OPERATION BRIGHTSIDE
PROJECT BLITZ MAY 16**

Operation Brightside's Project Blitz hit Tyler Park again on April 16. Once again, Tyler Park was well represented, with helpers from all parts of the neighborhood.

This year the central "pasture" on Hawthorne Avenue got special attention -- which was really needed, as no one was tending it. Many thanks to Brightside Committee Chair Chris Greenwell for spearheading the effort to keep Tyler Park neighborhood one of the most attractive in the city.

**TYLER PARK EASTER EGG HUNT
A BIG HIT**

The annual Tyler Park Easter Egg Hunt was held as scheduled in the park at noon on Saturday, April 2. Dozens of excited kids covered every square meter of the upper side of the park in search of eggs and special prizes.

Board member Kevin Lynch made a special appearance as a hot pink Easter Bunny (or should that be a hot, pink Easter Bunny?), handing out candy to those kids who got elbowed out of the way during the hunt. This year, more video cameras than ever before appeared, too.

Thanks once more to Pat Nett (who recently rejoined the TPNA board--she just can't say no) for her making this such a special event.

**MID-CITY MALL DENIES TPNA USE
OF PARKING LOT FOR FLEA MARKET;
SITE MOVED TO PARK**

For the last several years, TPNA has held its annual flea market on the west Mid-City Mall parking lot. This year, however, Mid-City Mall owner Sandy Metts denied TPNA permission to use the lot. Therefore, the flea market will be held in the lower half of Park on Saturday, September 17 (rain date September 24) from 9 AM to 3 PM. Call Mary Tomes at 459-6220 for information or to reserve space.

**MORE SUMMERSCENE PROGRAMS;
OTHER SUMMER FUN PLANNED IN THE PARK**

Tyler Park is a perfect setting for the Mayor's Summerscene programs and for concerts. Summerscene programs have been so successful that Entertainment Chair Ann Scheadel was able to book nine programs again this summer. If you missed them last summer, don't miss them this time, because they were a real hit with both kids and adults. Kids' events are scheduled for "Tuesdays at Noon," while the events for the whole family will be on "Sundays at Six."

In addition to three Summerscene concerts on Sunday nights, Ann was able to schedule free concerts, by The Eccentrics and The Graduates, and a special event -- Mark Twain at Large (a Twain impersonator). See the schedule reproduced elsewhere in this newsletter -- and stick it on your refrigerator so you won't miss a thing. Thanks, Ann.

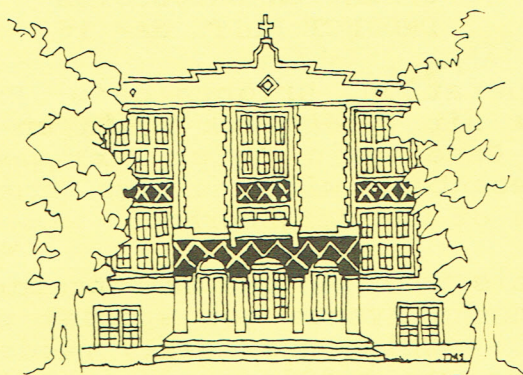

SUNSET EAST NOISE

Since Derby weekend, when Sunset East Tavern started offering live rock music in its new and improved "super" beer garden, neighbors have been kept up by noise until 4 AM. Are we amused? Hardly, but then Sunset East does not have a long history as the ideal neighborhood business. Some neighbors are so unamused that they have filed suit against Sunset East.

Noise is not the only nuisance factor; trespassing, aggravated parking problems, drinking in cars, litter, and sporadic vandalism have been reported. TPNA discussed the problem at its May meeting, and will be working with its aldermen, and Alcoholic Beverage Commission, and the Mayor's office to get the situation under control. TPNA strongly supports area businesses -- but we expect them to be good neighbors.

ANNUAL RABIES VACCINATION CLINIC

The annual rabies vaccination clinic sponsored by the Louisville and Jefferson County Board of Health will be held in Tyler Park on Friday, June 10, from 3-7 PM. A nominal fee is charged. Get your critters taken care of!

RECYCLING AT LOCAL CHURCH

Remember when there was not only an energy crisis but also some concern for renewable resources? St. Paul United Methodist Church, at 2000 Douglass Avenue (at Bardstown Road) is doing its part to continue saving a few resources by recycling aluminum cans and newspaper. The church has a truck on its rear parking lot during the second weekend of each month, usually from Friday night to Tuesday morning. Papers should be bundled or bagged, and cans should be bagged.

Every little bit helps. As area landfills get full, we may be required to separate these renewable items from our trash, so you might as well get in the habit.

BOARD APPROVES FORMATION OF TPNA FOUNDATION TO PROMOTE LONG TERM SUPPORT OF TYLER PARK

At its April meeting, the TPNA Board approved the formation of the Tyler Park Endowment Fund. The Fund will be started with \$10,000 of TPNA's reserves, with \$5,000 to be contributed in 1988 and the remaining \$5,000 in 1989.

The Endowment Fund's assets will be held and managed along with other endowment funds by the Louisville Community Foundation. Interest on the funds will be used exclusively for programs and projects to benefit Tyler Park. Creating the fund now and enabling others to contribute to it will ensure that the park gets maintained and beautified for many years.

TPNA encourages donations of any size to the Endowment Fund. (Make your tax deductible checks payable to "Tyler Park Endowment Fund" and send them to Stephen L. Henry, M.D., Chairman of the Fund, at the TPNA address found on this newsletter.) Donations will be restricted for this use only and used solely for the future of a beautiful Tyler Park.

Other offers are still being negotiated for inclusion by July 1. Watch for flyers and future newsletter issues for additions.

When you pay your \$5 membership dues (\$10 for businesses), you will receive a TPNA membership card, good for the above special offers from July 1, 1988, through June 30, 1989. This lets us give you additional benefits of membership while encouraging you to patronize area businesses.

Membership dues are the lifeblood of TPNA because they help fund activities such as park and neighborhood beautification, park programs and improvements, and expenses of representing neighborhood interests.

Grand Prize Drawing for Members Renewing Before June 30, 1988. Please pay your dues by mail in the enclosed envelope before June 30. If you do, you will be eligible to win your choice of (1) a Platinum Club membership at the Brown Hotel; or (2) \$75 worth of groceries. The Platinum Club membership entitles you to (a) a one night get-away at the Brown Hotel, any time before April 1989 (some exceptions apply), (b) 12 complimentary meals at The English Grill or J. Graham's (with another paying patron), (c) a certificate good for \$30 off any other overnight stay at the Brown; the membership is completely transferable. More practical neighbors might choose the \$75 in groceries.

By paying by mail before June 30, you will help reduce the time volunteers must spend going door to door on our annual membership drive. So use the enclosed payment envelope and pay soon so you will be eligible for one of the two great early payment prizes.

P.S. If you can use your own 25-cent stamp on the enclosed envelope, you will save TPNA close to 50 cents, which is what the Post Office charges for permit mail.

TPNA PRESIDENT ATTENDS MAYOR'S BREAKFAST

On April 22, TPNA President Bill Schneider attended one of Mayor Abramson's special breakfasts, which enable him to stay in touch with community leaders and to hear their concerns. Bill has been doing a sterling job in representing TPNA's interests to city representatives. Let him know if there is some way he or the Board can address concerns of your own which may affect the neighborhood and our quality of life.

TEENS WILLING TO WORK THIS SUMMER IN NEIGHBORHOOD

We are happy to report a 200% increase in the response to our offer to advertize the services of neighborhood kids who are willing to work this summer. (OK, so we had only one last year. We had to start somewhere.) Here is our current list of workers; call them for hourly rates.

Mark Esterle, age 15, 458-3549, of Goddard Avenue, general yard work

Jason Scholz, age 15, 456-1679, of Edgeland Avenue, general yard work

Cassandra Rush, age 11, 458-5429, of Edgeland Avenue, as parent's helper or assistant yard worker (accompanied by supervising parent if necessary)

BRIGHT SITE TO BE INSTALLED SOON

At its April meeting, the TPNA board approved the landscaping of a "Bright Site" (part of Operation Brightside) at the west end of the park (where Castlewood and Tyler Park Drive intersect). Trees, flowers, and edging will be added, in a design intended to harmonize with what Frederick Olmstead's original design for Tyler Park.

TPNA's contribution included paying for the installation of a water line and for some of the plantings; Operation Brightside folks will do the actual landscaping, using some plants donated by local businesses. Target for completion: June 12.
