March/April 1991

Help cleanup Tyler Park for Spring!

This year's Tyler Park cleanup has been scheduled for March 23, 1991, beginning at 9:00 a.m. The work will not be heavy, and will consist mostly of picking up litter and debris and raking and bagging leaves.

Trash bags will be provided. Please bring your own work gloves and garden tools.

If you have any questions, please contact John Reilly at 456-2296. Otherwise, we will see you on March 23rd!

Tyler Park Easter Egg Hunt

Your neighbors and the Tyler Park Neighborhood Association begin this year's Tyler Park calendar of events with the annual Easter Egg Hunt. This is one of our most popular and well-attended events and is always fun for the children and parents alike.

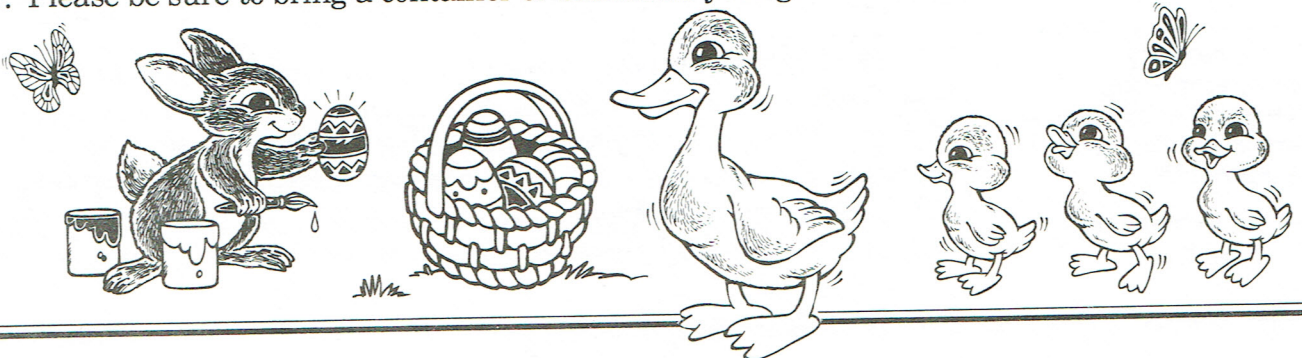

The fun begins at Noon, Saturday, March 30, 1991. Make sure you arrive a little early so you don't miss anything.

Again this year we anticipate a special visit from the TPNA Easter Bunny. Very young children can pick their treats from the Bunny basket to make sure they do not miss out on finding a treat. Bring your cameras. The Bunny loves to pose for pictures!

Plastic eggs filled with candy are hidden throughout the park. A few special prize eggs made of decorated tins are hidden and the finder wins one of three special Easter baskets. The event is open to children ten years and younger. Please be sure to bring a container or basket for your goodies.

The Tyler Park Neighborhood Association always makes sure that the park is especially clean and safe for the Easter Egg Hunt. The children really look high and low in the park for the eggs so we want to be sure that all broken glass and debris from the winter is safely cleared away.

If you plan to bring your children, please come and help us get ready by lending a hand at the park cleanup on March 23 at 9:00a.m.

Installation of a playbase was recommended as a top priority to the Metro Parks Department by the TPNA Board at the February meeting.

Help maintain our "Brightsite"

Volunteers are needed to help TPNA maintain its "Brightsite" at the entrance to Tyler Park (corner of Castlewood Avenue & Tyler Park Drive). If you would like to sharpen your gardening skills and help beautify our neighborhood, this could be for you.

Planting flowers, weeding, spreading mulch, raking leaves, mowing grass and watering during dry spells are some of the chores to be performed.

Please call Bill Schneider, Park & Neighborhood Improvement Committee Chair, at 454-5280 to sign-up.

Tyler Park announcements

Our neighborhood has new Police Captains. Captain H.R. Tompson is our new First District Captain. Captain David Lyons is the new Fifth District Captain. You can reach them by calling 588-3411.

Highlands Community Ministries Outreach Program for Older Persons (HOPOP) has a few openings for homemakers to work with their HomeCare program. If you can work part-time, please call HOPOP at 584-3834.

Do you have any photographs, letters, newspaper articles or other items about the Tyler Park Neighborhood?

The library would like to photocopy them!

The Highland Library Task Force submitted its report to the Louisville Free Public Library January 14, 1991. A copy of the report is on reserve at the Highland branch. A key recommendation is that a local history collection should be developed of all Highland communities. Alderman Tom Owen has offered his help in developing this collection. For more information, call Janet Dakan at 451-5774.

TPNA supports Scenic Kentucky

Bonnie Betz Loeb of Scenic Kentucky was the guest speaker of TPNA's January Board of Directors meeting. Scenic Kentucky is a private, non-profit membership organization devoted "to protecting Kentucky's scenic resources and to reversing the tide of visual pollution".

Scenic Kentucky seeks the support of all concerned citizens, including our neighborhood association, in putting an end to sign clutter. On February 6, 1991, the TPNA Board of Directors adopted a resolution presented by Scenic Kentucky requesting our elected officials to (1) ban the construction of new billboards, (2) establish height and size regulations and (3) establish scenic corridors where billboards are restricted.

If you would like more information about or would like to become a member of this organization, you can call Scenic Kentucky at 588-8839. They can provide guest speakers and a videotape for individuals and organizations.

TPNA needs volunteers -we need you!

Your neighborhood association's Board of Directors is a very hard-working group of individuals. As most of our neighbors are aware, the Tyler Park Neighborhood Association hosts numerous activities for the young and old throughout the year.

For the current year, activities include the annual Easter Egg Hunt, Spring park clean-up, the Picnic and Raffle, a Park Tennis Tournament, a Flea Market, Summerscene programs for children, Summer concerts, the annual meeting, a Park Halloween party and City Fair.

TPNA also addresses neighborhood complaints and issues. The Board of Directors works directly with our aldermen and other city officials to solve current problems. For example, TPNA obtained the support of Alderman Tom Owen and his staff in getting dead limbs cut from the trees along Eastern Parkway.

Zoning issues are also a frequent topic of discussion for the Board. The Mid-City Mall, the Schuster Building and the White Castle lot are current concerns. We are also working with the City to obtain funds for park improvements.

The Board of Directors appreciates the support of our neighbors. We encourage each and everyone of you to get involved. We welcome you to contact us and offer your help on one of our many committees and projects. Block captains are also needed. We are sure you will be glad you did!

*We need your help - please
call Denise Helline during
the day at 583-2250.*

*Let's make our
neighborhood even better!*

Make sure you don't miss
the neighborhood &
community events that
interest you!
