The TPNA Board of Directors proposes closing Tyler Park from 11:00 P.M. to 6:00 A.M. We welcome your comments and suggestions.

YEAR-ROUND HOUSEHOLD HAZARDOUS MATERIALS COLLECTION

The third annual Household Hazardous Materials Collection program is being offered six times during 1992-93 at different sites.

City and County residents can bring any toxic, ignitable, reactive or corrosive materials from their homes, garages or basements to the sites for proper disposal. Wastes from business or commercial operations won't be accepted in the program.

Some of the items collected last year were paint, toilet and drain cleaners, silver and brass polishes, oven cleaners, herbicides, pesticides and pool chemicals. Dates and locations for sites are:

August 8, 1992	Fern Creek High School	9115 Fern Creek Road
Sept. 12, 1992	St. Agnes School	1800 Newburg Road
Oct. 10, 1992	Brown-Forman Company	18th and Maple
April 10, 1993	Iroquois High School	4615 Taylor Blvd.
May 8, 1993	East County Govt. Ctr.	200 Juneau Drive
June 12, 1993	Pleasure Ridge Pk. Sch.	5901 Greenwood Rd.

Hours of operation are 9:00 A.M. to 3:00 P.M.

The collection is sponsored by City and County governments and Metropolitan Sewer District. Chemical Waste Management, Inc., is processing and handling the disposal.

For more information or to volunteer to work at one of the collection sites call 625-6029 or 625-3571.

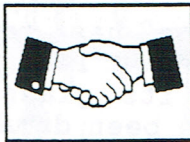

STATUS REPORT ON 1858 EDGELAND AVENUE

In case you're one of the many who have expressed concern about the appearance of the house at 1858 Edgeland Avenue at the corner of Bardstown Road, here's an update:

On July 22, 1991, the city cited ten violations found on the house at that address. The violations included: falling gutters; damaged rear porch, steps and guardrail and front porch balusters; broken downspout; broken window; and uncollected trash. Since then, the owner filed a complaint against the city, saying a police car ran into the building and caused extensive damage. The owner also said that an insurance payment is due for the damages and that the building is for sale.

On August 18 of this year, the owner did not show up for a court date concerning the violations. The city filed a bench warrant against the owner, hoping to settle rather than send the case to District Court.

GOOD NEIGHBOR AWARD NOMINEE

Bill Schneider (1824 Windsor Place), a past president of TPNA and presently a Board member, has been nominated for the Mayor's Good Neighbor Award. Bill has volunteered countless hours over the years for the benefit of our park - Tyler Park.

You may have seen Bill working during our park cleanup and neighborhood blitz or mowing the grass around our Operation Bright Site. Bill also chairs our TPNA Park and Neighborhood Improvement Committee which works to secure funding for park improvements such as the new play base for the playground equipment, removal and relocation of portions of playground equipment for safety reasons, a volleyball court and improved access for the handicapped. Bill also serves as our neighborhood liaison with the Metro Parks Department.

Bill Schneider is a Good Neighbor to Tyler Park.

YOUR TPNA ENDOWMENT FUND

Just a reminder that your TPNA Endowment Fund is still going strong with over \$15,000.00 currently deposited. As you may know, the principal of this fund is never utilized - - - only the interest is used to maintain Tyler Park. It is the desire of the Endowment Fund Committee to raise the principal to the point that the interest alone will be able to maintain our park - one of the most beautiful parks in Jefferson County.

Remember, it is important that we plan for the future enjoyment of our park for our children, so please consider making a donation to the Tyler Park Neighborhood Association Endowment Fund today. If you should have any questions concerning this endeavor, or wish further information, please feel free to contact Steve Henry at 454-0955.

VANDALISM AND NOISE ARE PERSISTENT PROBLEMS IN TYLER PARK

The Tyler Park Neighborhood Association has received an increasing number of reports of vandalism in the Park. The new kiosk, erected for TPNA messages, has lost its glass case and locking doors. Doors, lights and hardware have been damaged in the restrooms. If anyone has any information leading to the arrest and conviction of persons causing this vandalism, the TPNA will pay \$200 for such information.

Members of the Board, the Park and Neighborhood Improvement Committee and nearby neighbors of the Park met with representatives of the 1st and 5th Divisions of the Louisville Police Department to discuss ways of reducing vandalism and troublesome noise after hours. The police are empowered to enforce existing laws on underage drinking and prohibition of alcoholic beverages in the Park. However, there is no law, yet, that requires park patrons to be quiet or to leave the park if they are engaged in lawful activities such as bongo-laying or basketball in the very late evening or early morning hours.

It was pointed out that Tyler Park is the only Park in the Metro Parks System not to have posted hours. On recommendation of the Board, the members of TPNA will vote on the issue of closing the Park between the hours of 11:00 P.M. to 6:00 A.M. There is no physical means of closing the park, but signs would be posted noting the hours. With such notification, the police can remove anyone from the park during the off hours.

A similar problem has arisen in the parking lot adjacent to Valvoline, where teenagers and young adults have gathered during summer nights. Valvoline has put up a strong light and a sign, stating "No Loitering After 1:00 A.M." This action seems to have abated the problem somewhat, according to police authorities.

TPNA FLEA MARKET - A TWO-DAY SUCCESS

The Tyler Park Neighborhood Association sponsored a two-day flea market on August 15-16, 1992, in Mid-City Mall. Event Coordinator, Mary Tomes, says "we had 16 of our best booth exhibitors ever".

Thanks to Sandy Metts for allowing TPNA to use the Mid-City Mall. However, our winter flea market will require a new location since space will not be available at Mid-City mall. Watch this Newsletter for further information on the TPNA Winter flea market.

BLOCK CAPTAIN ACTIVITIES UNDERWAY

At the present time, TPNA is proud to have 15 block captains. Some of the events that are being discussed are block parties, alley cleanups, and block watch programs. Welcome to our newest block captains, Butch & Beth Dettlinger, 1807 Eastern Parkway. They have agreed to represent the 1800 block of Eastern Parkway!

We still need more block captains. It's a way to meet your neighbors and do your part for Tyler Park! So if you're interested, please call Kathy at 459-4109 or fill out the coupon below and mail to Kathy Kremer, 1606 Rosewood Avenue, Louisville, Kentucky 40204. Thanks!
