Help clean up the Beargrass Creek watershed:

- * along the South Fork
- * at the mouth where the creek meets the Ohio River
- * along the Middle Fork

We invite you and your friends to help clean up Beargrass Creek. On Saturday, September 11, 1993 from 9a.m. to 1p.m., there will be well-marked sites along the creek where there is access to the creek for clean up. We will furnish garbage bags. Wear long pants, old shoes or hip waders, and dress according to the weather. If possible, bring along gloves. If you have a group that is willing to clean a certain portion of the creek, let us know. Group assignments are encouraged for certain portions of the creek.
