TPNA MEMBERSHIP

There are almost 1300 homes and businesses in the Tyler Park neighborhood. In recent years there has never been a time that the membership of TPNA has been more than several hundred.

A number of people always join at the annual fall festival. Some mail in the membership form included in the newsletter. Little has been done in the way of organized membership campaigns.

The TPNA membership year begins in October when the annual meeting of the Association is held. This year's annual meeting will be held on October 23 at 7PM at Bloom Elementary School.

For the 1998 year membership will be accepted at the fall festival in September and at the annual meeting in October. Between those two events door-to-door contacts will be made to solicit memberships for 1998. With the annual membership dues being so low, only \$5 for individuals or families and \$10 for businesses, we are confident that most will join if asked.

The TPNA Board of Directors meets at 7PM on the fourth Thursday each month (except November and December) at the library in Mid-City Mall. Any resident is welcome to come to any meeting. If you wish to address the Board regarding a particular concern, please contact Bob Waters (President) at 458-4002.

A truly effective neighborhood association seeks input from all residents, and will support activities that serve to benefit the neighborhood. Your participation is essential.

TPNA ANNUAL FALL FESTIVAL

The 1997 TPNA Fall Festival is scheduled for Sunday, September 7, 1997, from 2PM until dark. The TPNA Board of Directors is making plans which incorporates ideas that were collected from a survey in a recent newsletter. Once again raffle tickets will be sold for prizes from local merchants, but this year a Grand Prize of \$300 will also be awarded. But the winner of the Grand Prize must be present for the 6PM drawing. Once again, efforts are being made to provide a variety of live music to appeal to all age groups. Vendors of food items have not yet been determined, but items such as barbeque, hot dogs, ice cream, popcorn, cotton candy, etc. are expected to be available.

The following activities are also being considered. All will have a scheduled time:

Craft stations for kids	Puppet show	Fire truck and firemen	Martial arts demonstration
Scavenger hunt (all ages)	Folk dancing	Volleyball tournament	Guided trolley tour (fee)
Birds of prey (Zoo)	House and garden tour (tickets sold)		

However, none of the activities listed above can be held without some help with organizing them. Some activities also will require fairly broad participation. For example, we are looking for neighbors interested in organizing teams for the volleyball tournament. Teams should include six people or more. Call Jack Pittenger at 451-3731 if interested.

The house and garden tour would ideally include from five to ten homes located in the neighborhood. All styles and price ranges of homes will be considered. If you would like to consider having your home included in the tour, or have any questions concerning the details, call Jack Pittenger at 451-3731 by June 30.
