Louisville Orchestra Plays In Tyler Park

The Louisville Orchestra played in Tyler Park on July 26th to rave reviews for the second consecutive year thanks to sponsors Fifth Third Bank, Metro Parks, Iroquois Art Association, The Tyler Park Neighborhood Association, and a special thank you from the entire community to Third Ward Alderman Bill Allison and his aide David Horlander. Without the support from corporate sponsors, elected officials, and the community, Tyler Park Neighborhood Association would not be able to fund events such as the Orchestra Concert. Tyler Park Neighborhood Association would like to continue to bring musical events to the entire community in the natural amphitheater of beautiful Tyler Park but in order to do this, we need your help. Tyler Park Neighborhood Association has set up a special Music Fund to fund future concerts in Tyler Park. If you would like to contribute to the future of music in Tyler Park please send your checks to: Tyler Park Neighborhood Association, Music Fund P.O. Box 4452 Louisville, Ky. 40204. Corporate Sponsors are encouraged to participate. Tyler Park Neighborhood Association would also like to thank and salute all those who helped make this years' Louisville Orchestra Concert a success including; Mr. Wheatley, Manager, Kroger Company, Deer Park Neighborhood Association, Bonny Castle Neighborhood Association, and all of the other Volunteers who assisted with the concert.

TYLER PARK RESIDENTS RECEIVE AWARDS AND CERT CERTIFICATIONS!!!!

On Thursday, June 27, 2002 several Tyler Park and other area residents received certificates from Third Ward Alderman Bill Allison, 1st Louisville Police District Commander Major Michael Dossett, Cert Instructor Shawn Herron, and Richard Bartlett of the Louisville/Jefferson County Emergency Management Agency for having successfully completing the course work for the Community Emergency Response Team. Efforts were led and coordinated by TPNA Board Member Trudy Hoekstra who, due to her leadership and efforts have made the Tyler Park Neighborhood the first Louisville neighborhood residents to receive this very important training in first response to disasters. Because of efforts from residents like Trudy, we will all be a little safer, a little more prepared, more organized in the event that disaster strikes. Trudy will have a presentation and display at the Tyler Park Fall Festival concerning the CERT program, training, and what this

means for our community. In addition, TPNA residents who received the CERT awards also were the recipients of the "SPIRIT OF LOUISVILLE" awards for Dedicated Community Service presented by Alderman Allison on behalf of the Louisville Board of Alderman. Congratulations!! To all members of the CERT Team.
