# Tyler Park Easter Egg Hunt

## Saturday, March 31st at noon

All residents are welcome to attend the annual Tyler Park Neighborhood Easter Egg Hunt. The hunt will be held Saturday, March 31st at 12 noon. One area of the park east of the bridge will be designated for each of the following age groups:

- Toddlers (under three years)
- Three to five year olds
- Six to eight year olds
- Nine to twelve year olds

Each child should bring a basket or bag for collecting the eggs and line up with the appropriate age group until the official start of the hunt is announced.

Special prizes to the lucky finders of the "golden eggs" will be awarded. Kids, be sure to stop at the TPNA table to register for the grand prize drawing. Raffle tickets will also be available for a chance to win a charming Easter bonnet designed by Kathey Schickli or a dozen eggs-- freshly laid by the famed hens of Mossrose (owner Manny Carralero).

Please join your neighbors and greet the Easter Bunny at this fun-filled Tyler Park event.

Volunteers are needed to help prepare the park for the hunt. All volunteers should meet at the park by 10 am. — *Rebecca Watson*

## View from the Bridge

March is the most mercurial month. It is winter and and spring combined and can swing wildly between the two. We are seeing that effect in the early blooming of some flowers and trees in Tyler Park, with the colder weather not yet gone for the year.

Despite this year's bitter cold and nasty flu season, we were able to yet again pull off a successful wine tasting! Cheers to our hardy door-to-door ticket sellers, Rebecca and Jo, for their determination and willingness to wear down their shoe leather! For the first time, the proceeds from the wine tasting went to the development of our fledgling Beechwood Park on Beechwood Avenue. This new pocket park is really coming along, so take advantage of one of our warm days to visit it! Also a first this year, we sold tickets to the wine tasting on our website. We plan to continue this practice next year, so remember that it is an option if you can't make it to the Wine Market, or miss our dedicated door-to-door saleswomen!

In other news, we welcomed four new board members this year! Board members are elected at our Annual Meeting in October and begin their service in January. We love involvement, so consider joining! There will be a couple of changes to our monthly meetings - due to time constraints, our District 5 Police Officer and our District 8 Legislative Aide, Jasmine Weatherby, will no longer attend our monthly meetings, however, you can sign up to receive a weekly crime report. Jasmine will attend every neighborhood association meeting in Council District 8 once during the year and is available to come for specific requests. She joined our February meeting to tell us about the Bardstown Road/Baxter Avenue Business Improvement District (BID) which runs from Broadway to the Douglass Loop. There will be a series of public meetings on the BID. They will be: March 26th at 1:00 p.m. at Hopcat; March 29 at 6:00 p.m. in the Highlands-Shelby Park Library branch in the Mid-City Mall, and April 2 at 6:00 p.m. in the Douglass Community Center gym. These meetings are also listed on the City's website. Another way to stay involved in District 8 happenings is to attend the District 8 Advisory Board meetings or watch them on the City's website. This board was created last year by our Councilperson Brandon Coan. They are held in the Highlands-Shelby Park library branch at 7:00 pm. The next meeting will be March 26 at 7:00 p.m.

In addition to holding a successful wine tasting filled with Hollywood glamour already this year (I really loved walking the red carpet strewn with rose petals), we wore the green and represented Tyler Park in the annual St. Patrick's Day parade. Next up is our traditional Easter Egg Hunt in Tyler Park, AND a visit from the Easter Bunny! The Bard will return to Tyler Park in April so don't miss this great opportunity to see some live Shakespeare practically right in your own backyard! In case of rain, an alternate location will be announced on our website and Facebook page. We also plan to replace or repair some of our Tyler Park neighborhood banners. A winter Celebration of Hope is in the works, and we've already started planning this year's Sundays in September Jazz Festival! Sponsorships for the Jazz Fest are available and we are always looking for raffle item donations.

Especially pertinent this time of year, remember that the City has a "Report a Pothole" function on their website

([www.louisvilleky.gov](http://www.louisvilleky.gov)). You can also sign up there to receive reminders of Junk Day and street sweeping so that you can make sure you don't miss those.

Community involvement and volunteerism are two key elements in making our city and our neighborhood the fantastic places they are to live, work and play. We are always looking for volunteers to serve on our committees (you do not have to be a board member) and to help with our many events. A great way to give back is right around the corner. The Mayor's Give a Day week of service is April 14 - 22 this year. You can peruse the Metro United Way's website to find many worthy causes to volunteer for during the week to help make our city a better place (one of them is right here in Tyler Park at Beechwood Park).

Happy Spring all! — *Kristen Millwood, TPNA President*

## Do You Have a ValuMarket Card?

Do you shop at ValuMarket? If you do, you can support both our civic-minded neighborhood grocer and Tyler Park by using a TPNA ValuMarket Gift Card. ## Spring News from Councilman Brandon Coan

Springtime is here again, and with it arrives perennial promises of paving, projects and patronage in the pending fiscal year. Specific scheduling remains in flux but I fully expect the following to occur between now and fall:

Dahlia and Summit will be paved. So will Castlewood, in conjunction with a road diet and new shared-use path, bus stop improvements and lane reconfigurations wrapping around to Barret and Winter. Winter also will be paved, with the sidewalks widened for safety near Baxter. Multiple other Tyler Park streets are good candidates to be part of the FY19 paving plan, as well.

On Eastern Parkway, sidewalks will be repaired at Norris and Royal, and trees will be planted to replace 37 lost to last year's Louisville Water Company work and the emerald ash borer.

Valley and Windsor will get speed humps.

There will be smaller repairs to Tyler Park, like reconstruction of the upper hill path, and then larger upgrades – just shy of \$1,000,000 worth – once the Tyler Park Master Plan design is finalized (with public input). I'm hopeful Beechwood Avenue Park will continue to raise funds and build out, too.

On Bardstown Road, consultants will reveal the results of last year's safety study and propose changes for the public's consideration. Additionally, Bardstown property owners will weigh the costs, benefits and vote on establishing a management district to keep the corridor clean and beautiful beginning in 2019. In the meantime, I'll invest in new street litter bins in our neighborhood and across District 8 – some 2-3 dozen, in all.

Spring may even see us make progress on a new trail project connecting the edge of Tyler Park – at Eastern Parkway, west of Castlevale – all the way to Trevilian Way, along the South Fork of Beargrass Creek. (This is still in early stages.)

Taken as a whole, Tyler Park has a lot going for our public spaces. Follow our progress by subscribing to District 8 eNews at: [tinyurl.com/subscribeD8](http://tinyurl.com/subscribeD8) — *Brandon Coan*

## Another Fun and Profitable Wine Tasting

Greetings Neighbors!

The 11<sup>th</sup> Annual Tyler Park Neighborhood Association Wine Tasting was held on Sunday, January 28th, at the Mid City Mall. Attendees were greeted on the red carpet as they entered the Hollywood-themed venue. The event featured California wines from the Wine Market, a variety of tasty hors d'oeuvres from ValuMarket's catering department, and an outstanding selection of award-winning cheeses from ValuMarket's deli department. ValuMarket's floral department provided the beautiful flower arrangements that decorated the venue. Proceeds from the fund raising event totaled \$2500, and benefited Beechwood Park, a new pocket park located on Beechwood Ave.

Hollywood stars enjoying the red carpet event.

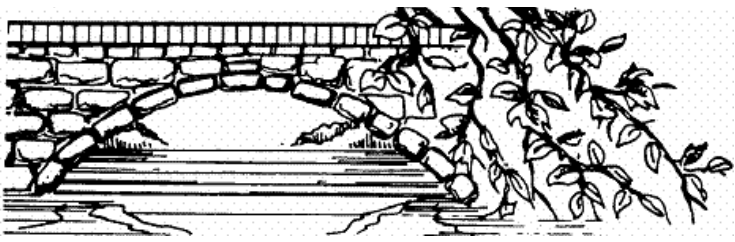

Many thanks go to Sandy Metts and the Metts Company for providing the venue, ValuMarket and The Wine Market along with Bazo's Restaurant, Terry Redden of Semonin Realtors, Highlands Cleaners, and our advertisers, Drs. Young and Linehan of Art & Crafts Dental, Infinite Bliss Yoga Studio, Highland Family Dentistry and Dr. Gabor S. Vargo D.M.D., The Fish House/Café Beignet, The Jewel Box, Kaleidoscope Kim at SALON REX, Jazzercise, Clay & Cotton, and VCA Fairleigh Pet Center. The wine tasting is only possible through the generosity of these local merchants, so please remember to support them.

Many thanks also go to the dedicated and hard working wine tasting committee members, Jo Ann Mosier, Ann Finney, Brian Caudill, Ken Baker, Florence Saltzman and Rebecca Watson, and our numerous volunteers including the Tyler Park Neighborhood Association Board members and Beth Nahinsky of the Highlands Shelby Park Library. — *Jo Shipley*

## Tyler Park: Neighborhood History

Tyler Park emerged during the early 20<sup>th</sup> century alongside the Cherokee Triangle, Deer Park & Bonnycastle neighborhoods, as an eastern suburb of Louisville. According to Carl Kramer, author of the Louisville Survey East Report, "... The urbanization process in these neighborhoods involved the interplay of the lore of the park system, the Bardstown Road streetcar line, and the activities of professional real estate interests... Tyler Park developed in 3 distinct sections between 1873 & 1952, with the preponderance of growth coming between 1880 & 1930."

According to Kramer, "...the architectural mix in Tyler Park is largely a consequence of varying land uses, periods of construction, and the affluence of developers or would-be homebuyers. Aside from the commercial buildings along Bardstown Road, the most notable nonresidential structures in Tyler Park are its churches..." [with the St. James Roman Catholic Church, as its most distinguished example]. Kramer goes on to say that, "... residential architecture in the Eastern triangle of Tyler Park exhibits broad stylistic variety. Large 2 ½ story Victorian frame houses predominate in the northern half of the triangle and along Baxter Ave., Tyler Parkway, and Edgeland Avenue. But on Edenside and Windsor Place, the tendency is toward large historical revival homes and bungalows. This is especially the case on Windsor Place, which has numerous large 2 ½ story bungalows and Tudor Revival and Colonial Revival houses designed by Louisville architect Hugh Nevin. Neighboring Castlewood boasts a variety of historical revival structures, with 2-story frame and brick Colonial Revival houses being most common. The broadest range of styles appears in the section between Barrett Avenue and Beargrass Creek. On the north, along Bates Court, there are several brick, frame, and stucco houses with historical revival motifs, while the structures on Hawthorne defy description or categorization. Most of the homes along Summit Avenue are traditional 2-story Colonial Revival structures while those on Royal range from Tudor Revival to postwar brick and stone ranch styles."

## Beechwood Park

Our first project has been completed! The handicapped ramp into our park was completed in February and we are really pleased. Our next project will be the completion of our children's nature play area. A local eagle scout group will be working in the park in March to construct some benches, tree stumps to play on, a seesaw and possibly a tree swing. We are very excited!

We plan to have a volunteer day on Saturday April 14. We intend to build a temporary pathway through the park and possibly painting a portion of the wall with chalkboard paint for kids to draw on. If you are interested in joining in the fun please contact Brian Caudill at [brian.caudill@att.net](mailto:brian.caudill@att.net)

We also plan to have our street festival in August again. We are looking at Saturday August 18. More excitement on Beechwood Avenue to come! — *Brian Caudill*

## **Volunteering for the Park**

Life gives us chances from time to time to do a bit of work in a good cause. We show up, we do, and we go home with a feeling of satisfaction and a world that is better than it was. With luck we can work together toward common goals. With extraordinary luck we can serve an organization that helps the entire community, including our own neighborhood.

More than twenty volunteers had extraordinary luck on March 3 – most of them are in the picture below – and every one of us has more chances to grab some of that luck in the year ahead.

The March 3 event was a Tyler Park cleanup put together to serve the Olmsted Parks Conservancy, the non-profit organization entrusted with Louisville's legacy parks and parkways.

At a typical volunteer day we concentrate on clearing trash and invasive plants, with the Conservancy supplying gloves and clippers and other tools. A trained park steward supervises herbicide applications to keep the invasives from growing back.

This time, however, Shawn Reilly from the TPNA Board had organized a thorough trash pickup that started at 9 AM so the Conservancy's Matt Spalding could lead the volunteers in tree planting activities during the usual 10 to noon schedule.

Money budgeted through an MSD reforestation grant to TPNA last fall was made available to Metro Parks and Recreation to free the department's funds for planting elsewhere. Sixteen trees were to go in: oaks on the northern half of the upper park, hickories on the sledding hill, and a sweet gum that should provide spectacular fall color on the slope below the hickories. The volunteers planted fifteen trees on Saturday but deferred one whose planned site proved to be a solid limestone shelf. It should be planted within a week. See the tree planting photo on the next page.

I believe the people who participated Saturday would agree with the opening premise – we were lucky to have this chance to serve.

— Ray Brundige, TPNA Board

## TPNA Membership Grew Slightly

By the end of the winter quarter, TPNA's membership grew from 357 members to 360 members with 3 individual / family members moving in and none moving out.

Membership dues and contributions deposits to the Operating Account for the Spring quarter were: January, \$750.00; February, \$915.00; March 1-7, \$200.00 for a grand total of \$1,865.00. The 3 new members were Harriet L. Lair, Kris & Briana Kinhead and Roz Cordini. Gilbert & Dr. Shannon Liu renewed their membership having lapsed in 2015.
