TYLER PARK NEIGHBORHOOD ASSOCIATION PRESIDENT RESIGNS

At the July monthly meeting of T.P.N.A. Kathleen Higgins resigned as President of T.P.N.A. effective immediately. The Board wishes to express its sincere gratitude to Kathleen for all the time and energy which she has expended during this past year as President to improve the functioning of the Association. Prior to this year Kathleen had served in creating the Greening Committee and as Vice-President of the Association. Kathleen's presence in T.P.N.A. activities will be sorely missed.

During a special meeting in early August, the following new officers and trustees were elected/appointed:

Dinah Smith 1365 Tyler Park Drive
459-7428

Trustees
David Bell 1704 Rosewood Avenue

PARK NEWS & NOTES

Our park benches have arrived and are awaiting installation. Eight stationary benches have been purchased through the City's Community Match Program, matching T.P.N.A.'s labor in the park with the appropriate funds. The Association will be installing the benches throughout Tyler Park this Fall. If you could help with installation, please contact Sue Slesnick, 451-7912, or Sharon Pike, 458-7657.

Mark Saturday, October 10th, from 9 a.m. to 1 p.m. on your calendar for our annual Fall clean-up in Tyler Park. It's a good way to meet your neighbors--and provide a service which everyone appreciates besides. Everyone is welcome!

A special thanks to our volunteer crew who have kept the park pool running (instead of flooding) and have kept the tennis courts locked at night this summer.

The Park Greening Committee will be active again this year and on October 24th from 10 a.m. to noon will plant two oak trees in the park, forsythia bushes along Castlewood in the park and ground cover along the Windsor strip in the park. Volunteer help will be appreciated on this day. The Greening Committee is also planning a Spring Tree planting in the neighborhood so if you would like a tree planted in your yard, please call Sharon Pike at 458-7657.

T.P.N.A. BLOCK CAPTAINS NEEDED

The Tyler Park Neighborhood Association is working hard to improve our neighborhood and if you are a Tyler Park resident, we need your help. The association relies a great deal upon "block captains" to make neighborhood residents aware of upcoming T.P.N.A. events and to encourage association membership. Most of all though, the block captain simply represents T.P.N.A. as a good neighbor. The following list represents a few of the streets in which block captains are needed. If you feel you could share some of your time with the association in this good neighbor manner, please contact Dinah Smith at 459-7428.

Streets on which Block Captains are needed:

Royal Avenue
Barret Avenue
Eastern Parkway
Edgeland Avenue
Beechwood Avenue
Lucia Avenue
Ellwood Avenue

(Note: Due to the length of some streets, more than one block captain may be needed on a street.)
