

JOIN THE TPNA FOR “THE WEARIN’ OF THE GREEN”

On Saturday March 11 the Tyler Park Neighborhood Association will join the “Ancient Order of the Hibernians” in the annual St. Patrick’s Day parade. The parade theme this year is “50 Years-Pot O’ Gold”. 2023 marks the 20th appearance of the TPNA in this event. In 2022 Tyler Park was proudly named Best Non-Commercial entry and was presented with a trophy at the awards ceremony at Molly Malone’s. All residents are invited to meet us at the corner of Bardstown Rd. and Rosewood Ave. at 1:30 pm. We will then walk to our assigned staging area, as parking is very limited. The unit number and staging area will be announced at a later time for those who prefer to meet us there. The parade is a great opportunity to support our beautiful neighborhood (and show off our TPNA banner). So don your green, grab your shillelagh, and come out to enjoy one of the most widely celebrated holidays in the world! For more information contact Rebecca Watson at rebecca.watson@twc.com.

Tyler Park Garden Tour Resurrection

Calling all Tyler Park Gardeners! and volunteers. The TPNA Garden Tour Committee is currently meeting to determine the willingness and participation of Tyler Park residents in engaging with the committee to reconvene the massively popular garden tours that ran for 13 years. Who could forget the amazing garden tour that was paired with an English Tea? Or the gardens that also housed back yard chicken coops! Tyler Park residents demonstrated their capable hands and imaginations that made the TPNA tours some of the best in Louisville. **The Committee is asking NOW to hear from residents about their desire to participate as host gardens, volunteers, or as attendees.** Please contact committee chair Jeanette Westbrook at westbrookj@aol.com for information or to request a phone call.

Under The Bridge

Helene Kramer Longton, President
Tyler Park Neighborhood Association

I am honored and super excited to serve as the new President of the Tyler Park Neighborhood Association. Shawn Reilly, our immediate past-President (2020-2022), is one tough act to follow. When you fuse Shawn's vision, passion, and energy with the amazing work of our Board and committees, it's no wonder the wins for our neighborhood were transformational.

Most notably, we ushered in Phases I & II of the restoration of our signature asset; the well-used and well-loved Tyler Park. Under Shawn's leadership, the Tyler Park Neighborhood Association raised a record \$50,000 toward the re-visioned tennis courts. We are now home to Pickleball, the hottest recreational sport in the nation. I live across the street and it's a pleasure to notice, no matter the weather, our new Pickleball courts are rarely empty. Working closely with the iconic Olmstead Parks Conservancy, we sure got that one right!

And there is more wow factor to come in 2023. An announcement on an addition to Tyler Park, by popular demand, will soon take center stage. Take a guess and stay tuned for the Olmstead Parks announcement on page 6.

In the meantime, your Tyler Park Neighborhood Association is hard at work making our events like the *Easter Egg Hunt* and the *Sundays in September Jazz*

Festival get bigger and better than ever. If more neighbors get involved, we may even be able to bring back some popular events that have been on hiatus and create some new ones. Mike Neal, who I like to call our Chairman of the Committee on Committees, has written an article on how you can get involved. Check it out on page 5.

With warmest wishes for an incomparable 2023,

Helene

TYLER PARK EASTER EGG HUNT

Saturday, April 8 at noon

All residents are welcome to attend the annual Tyler Park Neighborhood Association Easter egg hunt. The hunt will be held Saturday, April 8 at 12 noon. One area of the park will be designated for each of the following age groups:

- Toddlers (under 3 years old)
- Three to five year olds
- Six to eight year olds
- Nine to twelve year olds

Each child should bring a basket or bag for collecting the eggs and line up with the appropriate age group until the official start of the hunt is announced. Special prizes to the lucky finders of the “golden eggs” will be awarded. Kids: be sure to stop at the TPNA table to register for the grand prize drawing. Please join your neighbors and greet the Easter Bunny at this fun-filled Tyler Park event that’s been a neighborhood favorite since 1924.

Volunteers are needed to help prepare the park for the hunt. All volunteers should meet at the park by 10 am. Please e-mail shawmarkreilly@gmail.com if you are available to help.

The Tyler Park Neighborhood is promoting a neighborhood-wide yard sale! Due to our unique properties, it is a yard sale, porch sale, sidewalk sale, alley sale, garage sale or whatever works for you. There will be a map and markers for all those participating. There is no fee to participate but we will provide each participant an envelope if they would like to make a donation to the TPNA from their proceeds. The date is Saturday May 13, 2023, from 8 a.m. to 1 p.m. Stay tuned to the TPNA Facebook page or TPNA web page for more details. If you would like your home to be included as a seller of goods please email Mary Lou at Maryloufitzer@gmail.com no later than May 5, 2023. It will be a fun way to hang out with neighbors, get rid of some treasures and make a little money.

VOLUNTEER AND IMPROVE OUR NEIGHBORHOOD

A neighborhood evokes a great sense of pride for all those who contribute to it. As an individual or as a group, there's no limit to the impact you can make on our community. We will be having lots of volunteer opportunities including neighborhood and park clean-ups as well as helping with TPNA events through the course of the year. If you would like to be notified of volunteer activities please email Mike at mpnsdf@gmail.com. Let's all make our neighborhood a better, cleaner, safer place to live.

Restrain and Maintain

Someone suggested this issue should have one of those “keep your dog on a leash, and pick up after it” pieces that we run from time to time.

We run them to jog memories because most, if not all of us, have heard those messages before and most, if not all of us, know the messages are encoded in the laws of our community and the laws carry penalties for offenders. Refer to the paragraph at the bottom of the piece we are running, this time.

Those who are willing to ignore the law might consider two messages I have heard given to children: “Don't be ignorant” and “Show some pride”. The first meant “Do not do let yourself or others get hurt just because you did not think”. The second, “Remember it all reflects on the person in charge”.

Dogs are wonderful animals, family members for many of us. They are also impulsive, with mouths full of sharp teeth, so think about that before you let one off leash. As to the reflection on you that your dog might leave behind...

For the legal citations:

See Chapter 91 of Title IX, General Regulations, Louisville/Jefferson County Metro Government, especially § 91.002 Restraint required; § 91.004 Owner to control animals, nuisances prohibited; and § 91.010 Sanitary disposal of animal feces required. There are also sections on dangerous or potentially dangerous dogs and on liability for owners.

New Stage Coming to Tyler Park

A transformative gift to Olmsted Parks Conservancy will bring a new outdoor performing arts venue to Tyler Park.

The Frances N. Alden Charitable Trust has generously donated the full amount needed to build a stage on the west side of the park. The stage is the last capital improvement of the Tyler Park Restoration Plan that was initiated in 2018. Olmsted Parks Conservancy and Louisville Parks and Recreation have invested almost \$1.5 million in the park since 2018. The Conservancy is thrilled to complete the planned improvements.

Frances N. Alden was a long-time supporter of Olmsted Parks Conservancy. She was committed to elevating the arts and the health and wellness benefits of parks. The stage will stand as a testament to her legacy.

This new improvement will establish Tyler Park as a hub for performing arts in the Highlands. The stage will be the home base for the Tyler Park Jazz Series, and will provide more opportunities for festivals, concerts, and other community building events.

“The COVID-19 pandemic was so hard on local musicians and venues,” says Olmsted Parks Conservancy President and CEO Layla George. “While the community rediscovered the importance of the arts, we also renewed our relationship with the parks and their value as community-building spaces. The Tyler Park stage will truly connect nature and neighborhood and showcase the creativity that makes the Highlands so special.”

"This new improvement will establish Tyler Park as a hub for performing arts in the Highlands. We're excited the stage will be the home base for the Tyler Park Jazz Series, and will provide more opportunities for festivals, concerts, and other community building events," says Shawn Reilly past President of Tyler Park Neighborhood "For over a century, music has been present in Tyler Park and we look forward to securing that tradition for a hundred more years."

Forecastle Festival founder J.K. McKnight worked with Olmsted Parks Conservancy and the Tyler Park neighborhood on the vision for the project.

"The Highlands has always been a creative nerve center of our city, a place that has inspired countless artists and entrepreneurs like me to dream and do, says McKnight. “To foster, grow and retain our creative class, we need public stages like this that attract, coalesce and ignite our creative community.

Like trees planted decades ago, it's important that we invest time and energy to replenish our neighborhoods with the assets that make them desirable places to live, work and play. Without Tyler Park, Forecastle Festival never would have happened. Today we turn the tide, open a new chapter, and reverse the trajectory. I'm excited for what that is going to mean for our artists, neighbors and community."

The stage will be located near the entrance of the park located at the intersection of Castlewood and Tyler Park Drive. Olmsted Parks Conservancy will draft and release a Request for Proposals; review proposals and select a contractor; and plan to break ground in Summer 2023.
